TO THE HOSPITAL OR ATTENDING PHYSICIAN: The law requires that the death certificate be executed within 24 hours after death. Page 6 may be retained by the hospital or attending physician.

TO THE FUNERAL DIRECTOR: After this certificate has been signed by the attending physician and completely filled in by the funeral director, page 5 should be detached for use as the burial-transit permit. Pages 1, 2, 3 should be filed within 72 hours after death with the State Dept. of Health and Mental Hygiene prior to burial, cremation, or removal.

IMPORTANT: If item 28 is marked, or item 23 shows any injury, or other traumatic event, the medical examiner must be notified at once.

010-1-1

1. The first part of the report is a general description of the project and its objectives. It includes a brief history of the project and a statement of the problem to be solved.

2. The second part of the report is a detailed description of the methodology used in the study. It includes a description of the data sources, the statistical methods used, and the results of the analysis.

3. The third part of the report is a discussion of the results of the study. It includes a comparison of the results with the objectives of the project and a discussion of the implications of the findings.

4. The fourth part of the report is a conclusion and a list of references. The conclusion summarizes the main findings of the study and the references list the sources of information used in the study.

5. The fifth part of the report is an appendix containing additional information related to the study. This includes a list of abbreviations, a glossary of terms, and a list of figures and tables.

6. The sixth part of the report is a bibliography listing the sources of information used in the study. This includes books, articles, and other documents that provide background information on the project.
